## EDUCATION

### Amity University Jaipur

Degree in Bachelor of Computer Application

CGPA: 7.9

Jaipur, Rajasthan

2022 - 2025

## EXPERIENCE

### Pie Infotech | MERN Stack Internship

June 2024 - July 2024

- Built a dynamic frontend with **React.js**, implementing real-time updates for shared expenses and interactive payment summaries
- Technologies Covered** : React.js, Express.js, Node.js

## SKILLS

Programming Languages: TypeScript, JavaScript, Java, SQL  
Libraries/Frameworks: Next.js, React, Express.js, Node.js, Tailwind CSS, Prisma  
Tools / Platforms: Git, Github, Docker, Copilot  
Databases: MongoDB, PostgreSQL, Supabase

## PROJECTS / OPEN-SOURCE

### DevPick | [Link](#)

*Next.js, Supabase*

- Built and deployed a platform with **Next.js** and **Supabase** to explore technologies across categories with pros/cons, learning curves, and use cases.
- Added **side-by-side comparison** for quick stack evaluation and optimized performance with efficient queries and image optimization
- Designed a maintainable **backend** with typed API routes and centralized query logic.
- Deployed live**, showcasing developer-centric UX and end-to-end product building.

### Music Library UI | [Link](#)

*Next.js, Tailwind CSS*

- Built a responsive music platform with **Next.js** and **Tailwind CSS** ensuring smooth performance and scalability.
- Implemented a modern UI/UX with reusable components for consistency and maintainability.
- Deployed a **live production-ready** app, showcasing development and design skills.

### VidStream (Backend Project) | [Link](#)

*Express.js, Node.js, MongoDB*

- Built **JWT-based** authentication for secure user login, signup, and session management
- Implemented video upload and cloud storage with **Multer** and **Cloudinary**, ensuring scalability and optimized media handling.
- Developed social features (likes, comments, subscriptions) with a unique tweet-sharing integration to drive engagement.
- Used **MongoDB** aggregation to organize content and show analytics.

## CERTIFICATIONS

- Java Business Application Training Certificate - **IIT Bombay**
- Java Basics - **HackerRank**
